Where to fish

will be found along deep rocky bars, but for the most part they are going to be associated with vegetation. Vegetation is where the food generally is located and also provides concealment for a stalking predator like the northern pike. In most inland lakes, vegetation extends to depths of 10-15 feet of water. Find the vegetation and you

LESSON TEN Gone Fishing!

the biggest catch they have ever made, to follow Him. This is a lesson about community. Going Fishing. Fishy facts about Galilee—kinds of fish that are found in the lake. Fish found where you live. How fish live and "Take your boat out into the deep water,

Fishing bluegills and panfish through the ice

tances, can produce fish. A hole that isn't fishy isn't going to put dinner on the table. Also, fish the entire VERTICAL water column. Often 'gills and crappie may "hold" in a narrow band within the depth range. Cover the depth by slowly and completely jiggling from top to bottom through the entire profile. And last but not least, GO !

Lesson # 3

Lesson # 3 "The Miracle Catch of Fish" "Launch out into the deep and let down your nets for a catch" According to Matthew and Mark the call of the disciples came after the miracles, all that what Jesus asks is going to work. The best fishing on the Sea of Galilee was at
